Club News

The Club meets on the third Monday of each month unless noted otherwise. Our next regular meeting will be in January 2012—date and location to be confirmed.

Competitors may submit up to four images in each category for digital projection, and up to four cards. Please email all digital entries to John at jballou@comcast.net by the Friday preceding the meeting.

The format for digital submissions is: two images side by side in one file, with left on the left. The combined image should be 800 pixels high and up to 2560 wide. Make sure that the width of the image is an even number, or a column of pixels from one image may appear on the other image in projection. The file-naming convention is as follows.

- 1st character: A or B (group) or S (special)
- 2nd character: 1. 2. 3 or 4 (sequence of entry)
- 3rd character: Since this is the 10th month, the 10th letter in your last name, wrapping around to the beginning if necessary.
- The rest of the file name should be the title of the image.
