Club News

The Club meets on the third Monday of each month unless noted otherwise. Our next meeting will be on **Monday May 21** at 7:30pm in the Mosaic Room at the **Hacienda De Las Flores** in Moraga. Instead of a Special Competition we will have a Clinic, and Mat will present technical criteria for our first 3D video competition, scheduled for November. The next Special Competition will be in June, and the theme will be "Time Warp".

Competitors may submit up to four images for digital projection in each category, and up to four cards. Please email all digital entries to John at jballou@comcast.net by Friday May 18.

The format for digital submissions is: two images side by side in one file, with left on the left. The combined image should be 800 pixels high and up to 2560 wide. Make sure that the width of the image is an even number, or a column of pixels from one image may appear on the other image in projection. The file-naming convention is as follows.

- 1st character: A or B (group) or S (special)
- 2nd character: 1. 2. 3 or 4 (sequence of entry)
- 3rd character: Since this is the 4th month, the 4th letter in your last name, wrapping around to the beginning if necessary.
- The rest of the file name should be the title of the image.
