Summer 2021 Get Together

The Bay Area is reopening after our pandemic shutdown year. Let's dust off the 3-D TV and celebrate an in-person reunion of Golden Gate Stereoscopic society members and friends.

Our first in-person event of 2021 is planned for Saturday, June 26, 1pm - 5pm. Watch your email for an invitation with details.

The East Bay Community Space, 5447 Telegraph Avenue in Oakland, has made the Telegraph Room available at a very reasonable rate. To cover the room rental and food & drink, a charge of $25 - $30 per head will be requested.

Our usual meeting place, the Albany Community Center, remains closed, and regular meetings will continue virtually for now.

Oh Wow! Stereo Cards

Legacy GGSS member Jim Gasperini has donated his remaining stock of "Oh Wow!" 3-D sets to the GGSS. These fun pop-out stereo viewer and card sets come in a variety of vintage and contemporary subjects, and the stereo photography is generally excellent. Jim patented and marketed these sets in the early-mid 2000's.

These sets can be used for event giveaways, demonstrations, or fundraising. What are your ideas?

Jim is undergoing treatment for several serious ailments. Send a message to jimg@well.com and let him know you're thinking of him.

Missing Emails? Whitelist ggstereo.org

If you aren't receiving email meeting reminders, news, and updates, your spam filter may be blocking emails from ggstereo.org. A fix is in the works. In the meantime, you can "whitelist" ggstereo.org and keep them out of your spam filter. This Lifewire article, How to Whitelist Email Addresses, explains how.

About the Golden Gate Stereoscopic Society

Stereo photography — 3-D photography — is the marvelous craft of making pictures with the illusion of depth.

The Golden Gate Stereoscopic Society is the San Francisco / Bay Area's club for stereo photography enthusiasts. Join us at a monthly meeting to learn about the art of stereo photography and experience fantastic stereo slideshows.

The Golden Gate Stereoscopic Society was founded in 1934, and endures today as a dedicated group of stereo photography hobbyists. We are a member of the Photographic Society of America, and are recognized as a 501(c)(3) non-profit organization. Our mission is to encourage and promote the art of stereo photography through the support of our community and outreach to the public.
